Learning Objectives for This Activity

1. Describe the potential benefits of telemedicine in providing access to Dermatology services.
2. Identify clinical strategies for improving the care of patients with HPV skin diseases.
3. Explain the impact of inflammatory disease and light on skin pigmentation.

Target Audience and Scope of Practice

The course is intended for dermatologists, dermatopathologists, dermatologic surgeons, nurse practitioners, physician assistants, WDS members, and other allied healthcare providers who work with patients who have dermatologic diseases. (The secondary target audience is dermatology residents.)

Elements of Competence

This continuing education activity has been designed to change learner competence and focuses on the American Board of Medical Specialties areas of patient care and procedural skills, and medical knowledge, in addition to the interprofessional competency of teams/teamwork.

Title IX and ADA Statement

The University of Wisconsin School of Medicine and public Health fully complies with the legal requirement of the ADA and the rules and regulations thereof. If any participant is in need of accommodations, please notify Dr. Daniolos at 287-2620.

CREDIT

Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by the University of Wisconsin-Madison Interprofessional Continuing Education Partnership (ICEP) and the Wisconsin Dermatological Society. The University of Wisconsin-Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement

The University of Wisconsin-Madison ICEP designates this live activity for a maximum of 4.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Policy on Faculty and Sponsor Disclosure

It is the policy of the University of Wisconsin-Madison Interprofessional Continuing Education Partnership (ICEP) that the faculty, authors, planners, and other persons who may influence content of this continuing education (CE) activity disclose all relevant financial relationships with commercial interests in order to allow CE staff to identify and resolve any potential conflicts of interest. Faculty must also disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation(s). Detailed disclosures will be made available in the activity handout materials.
